Dear Clients and Partners,

I am pleased to confirm that Centravis remains fully operational across all of our production facilities. With uninterrupted access to electricity, water, and key infrastructure, our production processes continue smoothly — ensuring that every order is manufactured with precision and delivered on schedule. Consistency and reliability remain at the foundation of our daily work.

In line with our commitment to openness and long-term collaboration, we are ready to provide the most recent Bureau Veritas audit results, share direct insights into our production, or arrange remote audits whenever needed. We believe that lasting partnerships are built on trust, transparency, and proven performance.

Thank you for your continued confidence in Centravis. We greatly value our relationship and look forward to achieving new milestones together.

Best regards,
