FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

Centravis remains fully operational, maintaining stable production and reliable supply across all our manufacturing facilities. Thanks to uninterrupted access to essential infrastructure, including electricity and water, we continue to ensure smooth operations and deliver orders on schedule in line with our commitments to customers worldwide.

Our approach is built on operational consistency, strict quality standards, and the flexibility to adapt quickly while maintaining the high level of performance our partners expect from Centravis.

Transparency and long-term cooperation remain key priorities for our team. Upon request, we are ready to share the latest Bureau Veritas audit results, provide additional information about our production processes, and arrange remote audit opportunities for our partners.

We highly value the trust you place in Centravis and remain committed to being a reliable long-term partner for your business.

Thank you for your continued confidence and cooperation.

Best regards,

Artem Atanasov
