Dear Clients and Partners,

We continue to closely monitor the evolving geopolitical situation in the Middle East and its potential impact on regional logistics and supply chains. Over the past weekend, the situation has changed, and new developments have affected previously available logistics options.

As of now, several shipping lines have temporarily suspended new bookings to and from a number of destinations in the Gulf region, including:

- United Arab Emirates
- Iraq
- Kuwait
- Qatar
- Saudi Arabia (Dammam & Al Jubail)
- Oman (Sohar)
- Bahrain

The situation remains dynamic. Shipping lines are currently working on possible solutions to ensure transportation and minimize operational risks.

Information will be updated as confirmed changes in service operations become available.

Thank you for your continued trust in Centravis. We greatly value our partnership and will continue to keep you informed as the situation evolves.

Best regards,  
Artem Atanasov
