Dear Clients and Partners,

I am pleased to confirm that Centravis continues to operate smoothly and reliably across all our production sites. With stable access to energy, water, and critical infrastructure, our manufacturing processes remain uninterrupted — ensuring that every order is executed with precision and delivered on time. Operational excellence and reliability remain at the core of everything we do.

We would also like to extend our sincere gratitude to all clients, partners, and guests who visited our stand at the **Stainless Steel World Exhibition**.

These have been truly productive and inspiring days, filled with valuable meetings, meaningful discussions, and new opportunities for collaboration. Your engagement, questions, and insights made this event exceptionally impactful for our team.

Thank you once again for your continued trust and partnership. We look forward to building on the momentum of these fantastic days and continuing our joint work toward new achievements.

Best regards,
