FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

Centravis continues to operate steadily across all production facilities, ensuring uninterrupted manufacturing processes and reliable deliveries for customers worldwide. Stable access to essential infrastructure, including electricity and water supply, allows us to consistently meet our production commitments and maintain timely shipment schedules.

Our team remains focused on operational stability, strict quality assurance, and the flexibility required to adapt efficiently to evolving circumstances while upholding the high standards associated with Centravis products and services.

Transparency, trust, and long-term cooperation remain at the core of our approach. Upon request, we are ready to provide the latest Bureau Veritas audit documentation, share further insights into our production processes, and arrange remote audit sessions for our partners.

We sincerely appreciate your continued trust, partnership, and support.

Best regards,
Artem Atanasov
