FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

I'm pleased to share that Centravis continues to operate smoothly and without disruption across all our production facilities. With secure access to energy, water, and key infrastructure, we maintain efficient processes and ensure timely, reliable deliveries.

**This year marks the 25th anniversary of the Nikopol Stainless Tube Plant, now known globally as Centravis.**

Over the past quarter-century, Centravis has grown from a local enterprise into an international leader in the production of seamless stainless steel tubes. Our success has been driven by bold decisions, an unwavering commitment to quality, and the strength of a dedicated and passionate team.

Thanks to the professionalism and energy of our employees, we've earned the trust of customers in more than 70 countries and continue to set new industry benchmarks.

This anniversary is more than a corporate milestone — it is a shared achievement that honors the contributions of every team member, past and present.

I am sincerely thank everyone who has been part of our story. Together, we look forward to the next 25 years of innovation, growth, and success.

Thank you for your continued trust and partnership.

Best regards,
