CENTRAVIS PRODUCTION UKRAINE PJSC
56 Trubnikov ave, Dnipropetrovsk rgn., Nikopol, 53201, Ukraine

№ _____ dd 30.10.2026

FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,
I would like to share the latest update on CENTRAVIS operations and reaffirm our commitment to ensuring stable production, reliable deliveries, and uninterrupted service to our customers worldwide.

Our manufacturing facilities continue to operate at full capacity, with all essential processes — from procurement and production planning to supply chain management and logistics — running smoothly. This enables us to maintain consistent output, meet our contractual obligations, and deliver orders in line with agreed schedules.

Maintaining business continuity and operational excellence remains a key priority for CENTRAVIS. We continue to monitor our operations closely and provide our customers and partners with transparent, up-to-date information. The latest Bureau Veritas audit reports are also available upon request as independent confirmation of our operational stability.

Looking ahead, next week marks two important events for CENTRAVIS as we participate in major international industry exhibitions:

- **ADIPEC 2026** — Abu Dhabi, UAE | Hall 10, Stand 10800
- **UK Metals Expo 2026** — Birmingham, UK | Stand B34

These events provide valuable opportunities to strengthen existing partnerships, explore new business opportunities, and discuss how CENTRAVIS solutions can support your evolving needs. We warmly invite you to visit our stands and meet our teams in person.

Thank you for your continued confidence, cooperation, and partnership.

Best regards,
Artem Atanasov
