Dear Clients and Partners,

I am pleased to share that Centravis continues to operate at full capacity across all production facilities. With stable access to electricity, water, and key infrastructure, our manufacturing remains uninterrupted, and we are fulfilling all deliveries on schedule. Ensuring smooth operations and reliable performance is a priority we remain deeply committed to.

As part of our ongoing focus on transparency and strong, long-term partnerships, we are happy to provide recent Bureau Veritas audit summaries, behind-the-scenes views of our production processes, or arrange remote audits upon request. We believe trust is earned through open communication and mutual accountability.

Thank you for your continued confidence in Centravis.

Best regards,
Artem Atanasov
