Dear Clients and Partners,

I am pleased to confirm that Centravis continues to operate at full efficiency across all production sites. With stable access to electricity, water, and core infrastructure, our manufacturing processes remain smooth and uninterrupted — allowing us to deliver every order with accuracy and on time. Consistent performance and operational reliability remain central to everything we do.

Staying true to our principles of openness and long-term partnership, we are ready to share the latest Bureau Veritas audit conclusions, offer transparent insights into our production workflows, or coordinate remote audits whenever needed. We are convinced that strong, enduring cooperation is built on trust, clarity, and demonstrated dependability.

Thank you for your continued trust in Centravis. We greatly appreciate our collaboration and look forward to achieving new accomplishments together.

Best regards,
Artem Atanasov
