Dear Clients and Partners,

We are pleased to confirm that Centravis continues to maintain stable and uninterrupted operations across all of our production facilities. Our manufacturing processes, supply chain, and logistics network are operating as planned, allowing us to fulfill customer orders and ensure deliveries according to agreed schedules.

As part of our commitment to openness and long-term partnership, we are ready to share our latest Bureau Veritas audit reports upon request. In addition, we can arrange remote audit sessions whenever required, providing direct visibility into our manufacturing processes, quality standards, and operational performance.

Thank you for your continued trust and partnership.
