Dear Clients and Partners,

I am pleased to confirm that Centravis continues to operate smoothly and reliably across all production sites. With uninterrupted access to energy, water, and essential infrastructure, our manufacturing processes remain stable and efficient — ensuring that every order is executed with precision and delivered on schedule.

Operational excellence and reliability remain at the heart of everything we do.

We would also like to remind you that Centravis will showcase its latest innovations at the **Stainless Steel World Conference & Expo 2025 on 18–20 November in Maastricht**, the Netherlands.

At this year's exhibition, Centravis will present Balev Steel, our innovative stainless steel solution engineered for high-pressure applications, offering superior corrosion resistance, reduced weight, and sustainability advantages.
