FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

Centravis continues to operate without interruption, maintaining stable production and dependable deliveries across all manufacturing sites. With uninterrupted access to critical infrastructure, including electricity and water supply, we are fully positioned to fulfill our obligations and ensure timely shipment execution for customers worldwide.

Our operations are driven by consistency, rigorous quality control, and the ability to respond quickly to changing circumstances while preserving the high standards of performance expected from Centravis.

Openness and long-term partnership remain fundamental principles of our business. Upon request, we are ready to provide the latest Bureau Veritas audit reports, share additional details regarding our manufacturing processes, and organize remote audit sessions for our partners.

Thank you for your continued partnership and support.

Best regards,
