Dear Clients and Partners,

I would like to provide you with an update on Centravis operations and confirm that all our production facilities continue to operate steadily and without interruption.

Our manufacturing operations, supply chain, and logistics remain fully operational, allowing us to meet our production commitments and deliver customer orders in accordance with agreed schedules.

To ensure transparency and reinforce the confidence of our customers and partners, we can provide the latest Bureau Veritas audit reports upon request. We are also available to arrange remote audit sessions, offering an opportunity to review our production processes, quality management systems, and operational standards directly.

Thank you for your continued trust in Centravis and for your valued partnership.
