Dear Clients and Partners,

Centravis continues to operate at full capacity, maintaining stable and efficient production across all manufacturing sites. With uninterrupted access to power, water, and essential infrastructure, our operations run smoothly, enabling us to fulfill every order with precision and deliver on schedule. Consistency, reliability, and operational discipline remain fundamental to how we work every day.

In line with our commitment to transparency and long-term collaboration, we are always ready to share the most recent Bureau Veritas audit findings, offer in-depth insights into our production processes, or arrange remote audits upon request. We are confident that strong partnerships are built on openness, accountability, and consistently proven performance.

Thank you for your continued trust in Centravis.

Best regards,
