FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

I am pleased to confirm that Centravis continues to operate smoothly and reliably across all production sites. With stable access to energy, water, and critical infrastructure, our manufacturing remains uninterrupted — ensuring every order is executed with precision and delivered on schedule. Operational excellence and reliability continue to guide everything we do.

Also, we are pleased to share the October 2025 edition of Centravis Seamless Continuity. This bulletin highlights key updates in our operations, including production stability, equipment upgrades, supply chain developments, and growing opportunities across Asian markets. It also includes insights into recent regulatory changes in Europe and an update on our upcoming product innovation that will be presented at ADIPEC 2025 in Abu Dhabi.

You can download the full October bulletin [here](#).

Thank you once again for your continued confidence in Centravis. We value your partnership and look forward to reaching new milestones together.

Best regards,
Artem Atanasov
