Dear Clients and Partners,

I'm happy to report that our operations continue to run seamlessly. Stable energy and water supplies ensure that our production processes remain uninterrupted. All equipment is fully operational, and we have encountered no issues, allowing us to meet our production goals efficiently. Our dedicated team at Centravis is highly engaged and motivated, ready to address any challenges that may arise.

I am excited to remind you of the upcoming **ADIPEC 2024 exhibition**, taking place from **November 4–7, 2024, in Abu Dhabi**. We warmly invite you to visit us at **Hall 10, Stand 10800**. Our team will be on hand to showcase our latest innovations, including our groundbreaking **Balev Steel®**, and to discuss how our products can support your projects.

This event is a fantastic opportunity to engage with industry experts and explore the latest trends and technologies in the energy sector. We look forward to connecting with you in person and exploring new avenues for collaboration.

Thank you for your partnership and trust in Centravis.

Best regards,
Artem Atanasov
