Dear Clients and Partners,

The scheduled maintenance of our press line has been successfully completed. We will resume pressing operations this Sunday. We anticipate no delays or issues as we restart operations and continue to fulfill your orders in a timely manner.

This week, we participated in the Stainless Steel Exhibition in Maastricht. It was an opportunity to meet with partners, clients, and suppliers. We also gathered insights that will be beneficial for our cooperation.

Next week, I will be in Abu Dhabi to attend the ADIPEC Exhibition and Conference.

Our operations continue to run smoothly and reliably, and we are prepared to meet your requirements as usual.

Should you have any questions or need further information, feel free to contact us.

Thank you for your continued cooperation.

Best regards,
