Our dear clients, partners and friends,

As Ukraine perseveres in its battle against the cruelty and aggression of Russia, we are grateful for the steadfast support of our partners and allies. Their aid helps us sustain both our economic and military efforts.

Centravis production continues to operate at full capacity. Our Hot and Cold Shops in Nikopol and our production site in Uzhgorod are functioning seamlessly, with all equipment in good working order.

Our logistics team is working tirelessly to ensure the safe and efficient delivery of finished products, while our sales offices worldwide remain open and available to assist with any inquiries or requests. Additionally, our Financial and Administrative Departments, as well as our Customer Support teams, are fully operational.

Our CEO, Yuriy Atanasov, and Production Director, Andriy Krasjuk, remain in Ukraine and continue to work from the Nikopol location.

This week we celebrate Easter in Ukraine, and we extend our warmest wishes for peace, prosperity, and well-being to our partners, clients, and fellow citizens of our courageous country.

Sincerely,
Artem Atanasov aatanasov@centravis.com
