FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Partners and Colleagues,

I'm pleased to inform you that at Centravis, we've had another regular working week.

Our operations have been running seamlessly, production is constant, and deliveries are on schedule. All the equipment is working, we are fully supplied with water, energy, and billets. The motivation and dedication of our team remain strong as ever, ensuring that we meet our commitments to you.

While our global sales offices remain open and accessible, I'd like to mention that our Italian office is currently on vacation. However, if there are any urgent matters, Ferdinando Salsi is always available and remains in touch to assist you.

Our Financial and Administrative Departments, along with our Customer Support teams, continue to be fully operational, ready to help whenever needed. Additionally, our CEO, Yuriy Atanasov, and Production Director, Andriy Krasiuk, are presently in Ukraine and actively engaged in their roles in Nikopol.

Thank you for your ongoing trust and partnership.

Warm regards,

Best regards,
Artem Atanasov
